

Who are we? We are a force of nature, a wall of sound, a stream of musical consciousness that reaches in and jars something elemental inside you. We are shimmering softs and thundering louds, delicate diminuendos and soaring crescendos. We are singers, dancers, and actresses: flirty and fierce, mischievous and mannered, bashful and bold. We are Pride of Portland.

Pride's signature sound is a blend of energy, artistry and finesse that will sweep you off your feet and transport you to another place and time. We are the best and brightest assemblage of a cappella singers the region has to offer. We are also the first Sweet Adelines chorus ever invited to audition for America's Got Talent!

Pride is one of over 500 Sweet Adelines International choruses worldwide and is honored to be one of only a handful that consistently finish in the top ten at International competitions. A perennial regional champion, we recently broke the prestigious 700 point barrier, setting a record at our regional competition in 2013.

We attract a diverse, dynamic demographic from all walks of life, including dual members from other area choruses. Women from both Oregon and Washington travel far and wide to stand on Pride's risers and perform with their sisters in harmony.

Besides the vocal instruction and energizing choreography, why do members return, week after week? As one member put it, "Come for the music. Stay for the friends." Singing in a barbershop ensemble develops an unusually strong foundation with a common goal: to learn and grow as one, nurturing the individual until the parts are greater than the whole.

Looking for pulse-pounding tempos or soulful ballads? You've come to the right place. The chorus repertoire spans all musical genres, from barbershop standards to pop mash-ups, including golden oldies, jazz, blues, patriotic, gospel, show tunes and adult contemporary. If you want to use your musical gifts and soar to new heights, join Pride of Portland Chorus!
