We are excited to be able to offer nuts again this year. *This will be our only fundraiser for 2020.*

Our nuts are among the freshest available because they are processed and delivered a couple of weeks after roasting, compared to store bought nuts, which have been warehoused for 3 to 4 months.

The *Blue Diamond* Roasted/Salted Almonds and *Blue Diamond* Smokehouse Almonds are the same ones you would buy in a store. Sorry, but we are not offering Macadamias this year.

This year, all nuts come prebagged from our supplier into 1# bags (following Food Safety Manufacturing guidelines, which exceeds Covid-19 protocol). Prices on the order form reflect the added cost of this safety measure.

Instead of 1# bags, you can get a discount by buying a full case in bulk (not bagged). Pecans come in 30# cases and all of the other nuts come in 25# cases. This would be a savings of \$15 for a 30# case of Pecans and \$12.50 for a 25# case for all of the others (a savings of \$.50 per pound). Buyers would receive a full intact unopened box. Please write *BULK* if you are buying an entire case.

Example for a Case discount:

Pecans: \$12.00 per 1# bag - \$.50 per pound = \$11.50 per pound x 30# = \$345 for a Case as compared to \$360 if buying individual bags

Cashews: \$10.00 per 1# bag - \$.50 per pound = \$9.50 per pound x 25# = \$237.50 for a Case as compared to \$250 if buying individual bags

We will follow covid-19 safety measures to ensure that your nuts are handled safely, from the time they are received by Pride of Portland until they are delivered by your Pride of Portland member to you.

If you have questions, please contact Kathie Davis at kaverydavis@frontier.com.
